Dear Friends,

We have made it to the Summer term and I hope you are enjoying the sunshine!

Over the next three months we are aiming to finish the new OTB values curriculum and the rest of our Godly Play resources should be arriving.

We are also updating our mailing lists in line with the new GDPR legislation (see the bottom of this letter for more on this) so there is lots to do, despite the sunshine!

Our trustees will be meeting this month and are particularly thinking about planning for the future, so please do pray for them.

I hope to see lots of you over this next term, in the meantime enjoy the sun.

Best wishes, **Mandy**

Godly Play Resources

We are well on the way to completing our resources for the first three volumes of Godly Play and hope to have everything ready by September. The new stories can be booked in advance from July so why not call in over the Summer and plan ahead for next term?

Network

We are hoping to set up a regular network meeting where those using (or interested in) Godly Play can meet regularly to hear a story and share ideas and good practise. If you are interested in joining the network please contact Mandy.

Open the Book Values Curriculum

We are aiming to have some of the new stories ready for September. Before we take them into schools we need to 'road test' them. It would be great if some of you would be willing to come and have a go at 'performing' the new stories. This will help us work out some of the practicalities and make sure they are ready for teams to pick up and use in September. There will initially be two workshops on:

Tuesday 3rd July and Tuesday 17th July from 1 till 3pm.

Please let Mandy know if you are able to come and **PLEASE** consider attending even if your team is not intending to offer the Values Curriculum. You have lots of expertise which will really help.

Wanted

We are looking for an adjustable clothes rail to hang our new costumes, if you have one that is no longer needed please contact

Mandy.

Stickers.

OTB stickers are back in stock, £1 a sheet.

Resources for May Pentecost

We have a number of resources to help children to encounter the mystery of Pentecost, call in to the Chestnuts to book / have a look.

Thy Kingdom Come

For those of you intending to take part in this prayer initiative, we have a number of ready made prayer stations to borrow.

GDPR You should have received an email asking you to opt in for future mailings from us. Please respond by the 25th of May or we will have to delete you from our list!
