

## Dear friends,

A new term is nearly upon us and there's lots to look forward to. Open the Book have released their new story book, written by Bob Hartman and we have already started thinking about how to transition over to this updated programme. We will be able to use lots of our favourite props and costumes as well as developing some new ones. If you want to know more see below for details of an Open the Book meeting in September.

We also have our AGM coming up in September—a chance to review last year's work as well as thinking about the upcoming year. We will also spend some time discussing your responses to our recent review so please do make time to come along to that meeting and hear about future plans for the Hub as well as opportunities to get involved. Please let Mandy know if you are able to attend.

Later in the term we have What's the Story about Christmas coming up as well as opportunities to learn about Out of the Box Stories and Godly Play. Lots to get involved with this Autumn and do get in touch if we can help with anything else.

Best wishes,

*The staff and trustees at OCRH*

## Volunteers Needed

With so much going on at The Hub we are looking for some help! We'd like some regular volunteers to help with a variety of tasks: staffing the Hub to cover holidays, helping set up the new OTB programme and preparing resources for our What's the Story? project. We will also need some creative people to help create new costumes and props as well as refreshing old ones. If you can offer a couple of hours weekly, fortnightly or monthly we would love to hear from you.
